

UNION BAPTIST CHURCH RECEIVES SPECIAL AWARD

Pastor Orlando B. Yates was the recipient of the President's Award from the Collective Empowerment Group, better known as CEG, at the 2017 Business Excellence Awards Program held on Saturday, April 29th at the Word of Deliverance Center. Pastor Yates received the award, on behalf of Union Baptist Church.

The President's Award is given annually to the member church that contributes the most to economic development within the organization by using CEG resources to help keep money circulating in our own communities. Union Baptist utilized the services of a CEG Roofer to repair the church roof and a CEG lawn care company to cut the grass at Union's two cemeteries.

The award event was a black-tie optional affair with music by Brothers Who Sing, a Silent Auction for those who like to travel, and a Southern Style Dinner catered by Julia's.

In addition, Sis. Angelita Moreno Jones' company, Eastern Personnel Services, was named one of the Top Businesses of the Year along with four other businesses and also received an award during the event.

Congratulations Pastor Yates and Sis. Jones!
