The story of Esther appears to be a series of coincidences that deliver the Jews from certain death. However, God selected Esther for a particular purpose at a particular time in the history of His chosen people.

*Pathways - From Providence to Purpose* will help you discover the power of God's providence in the midst of your personal pain, fear, gain, loss, and love. You'll see that God has a purpose for your life, and He uses every action and event that occurs in it to make that purpose a reality.

#### Benefits of This Study:

- Learn how to locate God in the midst of what feels like His absence.
- Explore ways to trust God along the dark pathways of life.
- Position yourself on God's pathway of purpose for your life.
- Recognize that God uses every action and event that occurs in life to make His purpose a reality.
- Examine the story of Esther and understand her call to a particular purpose at a particular time in the history of God's chosen people.
- Allow the truth of God's Word to show you the power of providence in the midst of your personal pain, fear, gain, loss, and love.
